Stamina 7 Series

Saddle Seat Task Chair

The Stamina 7 Series features a saddle seat for both comfort and stability while performing tasks. It was especially designed to help prevent workers in cleanroom apparel from slipping out of their chairs. In addition, the front of the saddle seat is cut back to allow easier access to the 20" diameter footrest.

Specifications:

Seat: 20 1/2" W x 19" D, contoured seat with 2 1/2" thick high resilient foam (E)

Back: 17 1/2" W x 12 1/2" H fully upholstered standard back, 2 1/2" high resilient foam (A)

Upholstery: Heavy-duty fire retardant fabric or vinyl

AT Control: 3 levers - Seat height, seat angle, back angle. Back height adjusted with knob.

Footring: 20" diameter, adjustable chrome (for bench heights only)

Base: 28" diameter polished aluminum base

Casters: 2" hard dual wheel caster, chrome hooded

Weight capacity: 300 lb.

PN: 790BT-EB-V557-R20-A28P-01 POL
(Model pictured may not be standard model.)
